Questions & Answers		
Q	Topic	S2R Answer
1	<p>We understand that Shift2Rail will be announcing a prize for submissions on how to identify uniquely trains (being a combination of locomotive and wagons). We have considerable interest and experience in this area and would like to know how to stay informed of any relevant announcements.</p>	<p>The S2R AWP 2020 includes information on the prizes the S2R JU is planning to issue in 2020. You can find this information in section 2.2.8.2 of the AWP 2020, accessible through the following link: https://shift2rail.org/about-shift2rail/reference-documents/annual-work-plan-and-budget/</p> <p>As indicated in this section, the type of prize (inducement or recognition prizes), the eligibility and award criteria (when applicable) as well as the deadline for submission of applications will be announced at a later stage. In this respect, please note that we are currently in the process of defining the rules of contest for participation in the prize call referred to in your question.</p> <p>All the information related to the publication of the prize call will be published in the Shift2Rail website: www.shift2rail.org. You may also subscribe to our newsletter accessible through this link: https://shift2rail.org/e-news/</p>
2	<p>1. In the final: what exact we should present? The device for tracking and a software to process data OR only a software? 2. Is the solution we will offer should work in</p>	<p>Many thanks for your email and for your questions regarding the unique train prize.</p> <p>Please see our answers to your questions below:</p> <p>1. The objective of the prize is to develop a solution to track the commercial trains, It should be, ready to use, easily exportable to a data hub manager and scalable and usable by all actors of the logistic chain. The proposed innovative solution will be evaluated against the criteria described in section 5 of the Rules of Contest.</p>

	<p>the whole EU only - geographically? Or, maybe non-EU members should have a possibility of being tracked too?</p> <p>3. Should we as developers send you the right of managing the software/solution we'll offer? Or, we could commercialise our software to other markets?</p>	<p>2. As described in the Rules of Contest, the solution will allow the tracking of commercial freight trains, covering the whole European Network. The objective is to provide real time information about the train, including information on the location, departure, destination, composition and punctuality across Europe.</p> <p>3. As indicated in the rules of contest, the winner(s) must comply with the obligations set out in Title III of the Horizon 2020 Rules for Participation Regulation No 1290/2013 (https://ec.europa.eu/research/participants/data/ref/h2020/legal_basis/rules_participation/h2020-rules-participation_en.pdf). In particular, results shall be owned by the participant generating them, but there is an obligation to protect results, exploitation and dissemination obligations, as well as rules determining the transfer and licensing of results and access rights to background and results. For more information and best practice, see Articles 23a-31 of the H2020 AGA — Annotated grant agreement. Moreover, in line with the announced award criteria, solutions should be, inter alia:</p> <ul style="list-style-type: none"> - Interoperable with different existing systems and standards, i.e. systems in use by IMs and/or RUs, Hermes 30, EDIGES, port community systems, TIS. - Not dependent on proprietary solutions, using open standards. Potentially exportable to a "data hub manager".
<p>3</p>	<p>Are you planning to organize an Info session dedicated to the Unique Train Prize? When?</p>	<p>No Info session is planned for this prize and all the relevant information about the contest are included in the S2R website and the page dedicated to the prize. (https://shift2rail.org/news/unique-train-prize-apply-now/). For specific rules please consult the rules of contest available here: https://ec.europa.eu/research/participants/data/ref/h2020/other/prizes/contest_rules/contest-rules_2020-s2rju-inducement-prize-utrain-2021_en.pdf.</p> <p>Should you have any other questions we remain at your disposal through the Info-Call email address.</p> <p>I hope this is helpful.</p> <p>Kind regards</p>
